Minimum Spend Requirement

In order to book our services, we require a minimum spend of \$4,000.

Travel

We travel locally in Brisbane, and further a field to the Sunshine Coast, Gold Coast & the Northern Rivers. Getting married elsewhere? We'd love to hear from you.

Are we the right florist for you?

If you love flowers and appreciate natural and unforced floral designs using lots of lovely garden style flowers we would definitely align to your style! If you have creativity and like to do things a little differently rather than following trends we would definitely love to work with you to create something unique and special.

A few things we don't do

We don't use artificial, dried flowers or artificial colours, only the alive and natural.

What is our booking process?

We receive your enquiry & confirm date availability

We organise an initial phone consultation with you to discuss your vision.

After a phone consultation we provide a quote for your review.

Upon acceptance of the quote, Our Terms will also be issued for your review.

We issue a 20% Deposit Invoice and also issue a Visual Proposal to you.

We organise a final phone consultation with you to finalise all details for your wedding/event.

A final invoice is issued & all bump in & out details are provided to the client & venue weeks prior to the event.

We work quietly in the background to deliver all of your floral dreams for your day. We are contactable via phone and email at any stage of our service agreement.
