Minimum Spend Requirement

In order to book our services, we require a minimum spend of \$4,000.

Travel

We travel locally in Brisbane, and further a field to the Sunshine Coast, Gold Coast & the Northern Rivers. Getting married elsewhere? We'd love to hear from you.

Are we the right florist for you?

If you love flowers and appreciate natural and unforced floral designs using lots of lovely garden style flowers we would definitely align to your style! If you have creativity and like to do things a little differently rather than following trends we would definitely love to work with you to create something unique and special.

A few things we don't do

We don't use artificial, dried flowers or artificial colours, only the alive and natural.
